**MEETING HELD FOR REVIEW OF RULES.**

Meeting opened 7.25pm

I am keeping this short as the rules will be printed in the new rule book.

- The better player plays off scratch to his allocated amount and the handicap player has his handicap on the board eg
  - M. Hough -50
  - D. Martin – 120Mick has 70 points on the board and needs to score 230pts Darren needs to score 300pts to win.
- Players will have their handicap changed 1 increment per year.
- Players are now eligible to achieve the season's highest break during the semi-finals and final series.
- There is to be 8 seeded players in the Illawarra Singles. This has been the case for quiet some time. The ratings points will be used to determine the seedings of places 5 thru 8.
- Maximum grade for Div1 Billiards is -125 regardless of their results and ability
- A player must have two bad years in Div 1 before he can be regraded back to div 2
- There are to be no handicaps in Div 1. However all existing handicaps will be used if a Div 1 player plays in Div 2, they would give the relevant points start, these handicaps will be allocated as per the system in place now.
- The foul and miss rule will now only apply when:-
  - a. The ball on is not completely snookered and a foul is committed before coming into contact with the ball on.
  - b. If the cue ball is not hit with sufficient strength to reach the ball on.
  - c. If the cue ball is not going at some stage during the stroke in the direction of the ball on.

The above will come into effect at the start of the next billiard season.
