MEETING HELD FOR REVIEW OF RULES.

Meeting opened 7.20pm

I am keeping this short as the rules will be printed in the new rule book, along with new handicaps.

As of the 2015 billiard season the teams will consist of 1 snooker player and 3 billiard players

In the 1 table competition ,the old scoring system will be brought back ie) Player will score only those points in break above his handicap. Handicaps to be uncapped

If the Recorder doesn't receive the result sheets within the 7 day time frame and still doesn't receive them after 10 days then more points will be deducted.

Introduce a + and – handicap in Div 2 and Div 3 snooker Div 2 -14 -7 +7 Div 3 -7 and +7. If a Division 3 player plays in Div 2 he will start at +7 All Division 1 handicaps to be put on grade sheet for the purpose of Division 1 players playing in Division 2 so they can give the appropriate start.

A Player must play 40% of schedule matches in inter-club competition before nomination closing date, to be eligible to play in any tournament.

There is to be no handicaps in Division 1 billiards. Division 2 and Division 3 will go back to the old system of point off the board. A Division 2 player playing in division 1 will receive a minimum of 50 points start from a Division 1 player

It was discussed that if too many entrants in a tournament then the semi-finals and finals will be played at the weekend. This is to be put on the nomination sheet.

Meeting closed 8.15pm.
